 Sunday May 18th at 4:00 pm We will be having a nutrition presentation for all females participating in the summer strength and conditioning program, (especially the volleyball team but highly recommended for all the females doing the program this summer, even Junior High age)   After the nutrition presentation we will be doing our pre-summer assessments with Nicole Dennis, such as verticals, agilities etc. We can do this in whichever gym is available.
Again, this is for all female athletes participating in the summer strength and conditioning program for incoming 7th through 12th grades.

Drivers Ed will be offered again this summer at Randolph from June 2nd - 5th. This is a Provisional Operator's Permit Driver Training course. Students need to be 14-17 years old and must have a LPE, SCP, or LPD. The total cost is $375. Randolph Public Schools will pay $140 of that for Randolph students. Registration forms are available in the office or on the school website (click on the "High School" tab). Registration forms and $235 must be sent to the NECC address listed on the form. There will be a parent/guardian only meeting on June 2nd at 7:30 am. Drive times are usually set up during the parent meeting so it is important that parents attend.
