

Randolph Elementary

“BEE”-ing Our Best at Randolph Elementary!

The 3rd quarter has flown by and will be wrapping up on March 9th. Hopefully that means spring will be here before we know it! You can expect report cards to go home the end of that following week. A few points to highlight below:

- 1.) **1 Book 1 School** wrapped up on Thursday February 23rd. I hope you all enjoyed reading Save Me a Seat! Thanks again to REF for helping with the cost. A special thanks to Mrs. Guenther and Mrs. Shearer for leading this activity as well.
- 2.) **Read Across America Week** will be taking place February 27th-March 2nd. Activities are planned for each day as well as REF will be sponsoring a Read-a-thon again this year on Thursday March 2nd. Thank you to Mrs. Harder and Mrs. Hegge for planning the week.
- 3.) **Kindergarten Round-up** will take place on Friday March 17th from 8:00 a.m.-10:00 a.m. Children that will be 5 years old on or before July 31st are eligible to attend Kindergarten as stated by Nebraska State Law. Please contact the elementary office if you have not received any information about Kindergarten Round-up.
- 4.) **PowerSchool update** happened the end of February. Please see the school website for more information or reach out to the office if you have any questions.
- 5.) **Spring Testing** will begin late March and be completed by the end of April. Students in grades 3-6 will take the state NSCAS test in math and language arts. The 5th grade students will also take a science test as well. Exact dates will be communicated as we get closer. It is important you child gets plenty of rest on testing weeks as well positive encouragement to try their best.
- 6.) **Teammates** will be having a 20 year celebration on Thursday March 9th at 6:00 p.m. in the high school commons. Doors will open at 5:30 with a silent auction followed by a meal and guest speaker former husker Desmoine Adams. Contact Mrs. Reimers if you are interested in getting tickets.
- 7.) **Date Changes** school will be in session March 24th, March 31st, and April 24th to make up for snow days.
- 8.) As always do not hesitate to reach out to myself or your child's teacher if you have any questions or concerns.

Happy Spring! Thanks for your teamwork in supporting our students.

Denton Beacom

Randolph High Newsletter

March 2023

March has arrived and we are looking forward to Spring! We will be starting to register for our 2023-24 classes by the end of the month. Mrs Reimers and myself will meet with each grade during school hours and go over opportunities for them. Students will complete their register in PowerSchool. We will then be able to get student schedules out before the end of this school year to make changes and get parent approval. We will also be posting information on the school website early in the month for parents and students to look at.

We are getting close to the 4th quarter. We are seeing a little fatigue from students and some grades are not as high as usual. Please encourage each other to push through strong until the end with turning in assignments and doing your best on all school work. Reach out to teachers and staff if you need extra help. You should be seeing some emails or videos from your students explaining what is going on in class. We are also working on a few bugs with the new PowerSchool sign in. Please reach out if you have any questions.

March is eventful for our Activities. We will have District Speech on March 4th and hopefully have state qualifiers competing on March 17th. We are looking forward to the Jr./Sr. High Spring Concert on March 14th and 3 All-State Band students on March 18th. Don't miss out on our 20 Year Teammates Celebration on March 9th. We will end the month by beginning our Spring Sports as we look forward to some sunny weather and outdoor activities.

As always, good communication between the school and the community is essential to making RHS a place "Where Tomorrow is Built Today!" Please feel free to contact me anytime. **Go Cardinals!**

Brandi Bartels

7-12 Principal/Activities Director

YOUTH BASKETBALL—

K-8 youth basketball was wrapped up at the end of January. Thank you to all the parents and students who took advantage of the opportunity. We understand that 8am on a Saturday may not be ideal in terms of early morning and perhaps weekend plans. However, gym availability and volunteer help must be highly considered also. With that being said, thank you also for making arrangements to make the early morning practice a priority and perhaps shifting other plans somewhat to make things work. Player development in anything is like putting together a puzzle. Skills practice is a major part of the puzzle along with other key pieces like a strong PE program, productive recess time, attending camps or trying out for summer travel teams, learning from watching and actually paying attention, and definitely practicing at home. We did have some volunteers take some boys and girls to some tournaments which of course is the overall goal of putting the skills learned to good use. We continue to look for parents to help out to take kids to tournaments to further help prepare them for jr. high and high school competition, but also feel the skills practice is vitale. We are always looking for ways to improve our skills practice and are open for volunteers to help out. If anyone has suggestions on how we can continue to grow, please let us know.

Theresa Schnoor, Denton and Haley Kuhl

It is the policy of the Randolph School District #45 not to discriminate on the basis of sex, disability, race, color, creed, age, religion, marital status, or national or ethnic origin in its educational programs and activities, evaluation procedures, employment policies, other agency administered programs, or in admission or access to programs or activities offered by the School District.
